

Abbott House Loving Arms Awards Dinner

OCTOBER 29, 2019

Helping others love themselves,
no matter where they come from!

ABBOTT HOUSE is a special place; a place that welcomes and builds lasting foundations of support for children, families and adults with complex needs. The heart of our work is about helping human beings recover from deep trauma, or intervening to prevent trauma in the first place. Family comes first at Abbott House. We work hard to reunite families, create new ones and make promising futures a reality so those entrusted to our care feel a sense of belonging rooted in hope and community.
