

ABBOTT HOUSE is a special place; a place that welcomes and builds lasting foundations of support for children, families and adults with complex needs. The heart of our work is about helping human beings recover from deep trauma, or intervening to prevent trauma in the first place.

Family comes first at Abbott House. We work hard to reunite families, create new ones and make promising futures a reality so every individual entrusted to our care feels a sense of belonging rooted in hope and community.

Dave Wade was known for his big, warm heart and his extraordinary capacity for good. He inspired others to spread kindness in the world, and he always led by example.

Dave helped start the Abbott House Golf Outing 21 years ago. He remained a loyal supporter and our greatest cheerleader until his untimely passing in 2015. His sense of humor, love, and loyalty to family and friends are just some of the reasons why he holds a special place in all our hearts. He was an integral part of the network of vendors, volunteers, and donors - the backbone of non-government support for Abbott House. We are proud to recognize Dave as the namesake of our annual golf outing.
